

# FBK-ISR's YouTube new channel is online!

July 12, 2022

## FBK's Centre for Religious Studies is now on YouTube with a specially dedicated channel

The [channel](#) provides a window on the great wealth of initiatives promoted by the Centre throughout the years.

Recordings of seminars, webinars, and other events promoted by ISR are made available on the channel. These are organized in playlists that group the videos in thematic series, facilitating research and navigation into the channel.

The recorded initiatives gathered by the channel date back to 2017, up to the latest updates of the ongoing webinar series, "[De-polarization in Religion and Ethics](#)".

Everyone's invited to subscribe to the [channel](#), not to miss the many upcoming contents!
