

The Research institute for the Evaluation of Public Policies (FBK-IRVAPP) is seeking a new Director

April 12, 2017

The search for candidates for the position of new director for the humanities center of Fondazione Kessler, who will replace Antonio Schizzerotto, IRVAPP's Chief officer since its creation in September 2008, started yesterday.

IRVAPP

RESEARCH INSTITUTE FOR THE EVALUATION
OF PUBLIC POLICIES

A Professor and researcher in Economics, Sociology, Statistics, or Engineering Management, affiliated with public or private universities or international research institutions. Experience in a previous position internationally and in directing international research groups. Holder of advanced scientific qualifications, documented by publications in international journals and of an established network of academic relations within the scientific community. Documented experience in the design of policy impact assessments. These are the requirements that the candidates for the position of Director of the Research Institute for the evaluation of public policies of Fondazione Bruno Kessler, described in the call published at the website below, must meet:
